With the magnificent Hoehner Auditorium, why does Topeka High need more performing arts space?

- Hoehner Auditorium is overbooked & overworked

- Music
- Forensics

What problems would additional performing arts space solve?

- Intimate seating for small productions, concerts, and special events
- Solve scheduling limitations for multiple groups
- Add additional classroom space and dressing rooms frees up classrooms for normal use
- Safe access to costume & prop storage

What can we do for our kids with additional performing arts space?

- Allow more students to participate in the Fine Arts
- Enhance rigor, productivity of rehearsals, and performances by eliminating conflicts
- Enhance student audience appreciation of performing arts by providing multiple venues to fit the type of performance
- Adequate number of rehearsal/performance spaces allows true integration with performing arts groups from Topeka High, other schools, and the community
